

PRESENTS BUSINESS IMPACT LUNCHEONS

The Economic Development Division of the Dunn Chamber is excited to announce a NEW Opportunity for You to Promote Your Business as a Sponsor of our new Luncheon Series based on Public, Governmental and Economic Issues. The Luncheon will be held from 11:30 a.m. to 1:00 p.m. and include speakers on topics of importance to the business community, lunch, a question and answer session, along with time for networking. Possible Topics for 2017 include Business Impact: County Perspective, Health Care Forum, City Perspective, State and Schools. We are also working on scheduling a visit from our Congressman George Holding. Additional meetings may be planned as important issues arise.

Each Luncheon will be allowed one Presenting Sponsor – Lunch will be Dutch-treat for those attending. Cost to Sponsor is \$250 and will be given on a first-come, first served basis. “This is a great opportunity for even our small business members to sponsor a Chamber event and get a big impact on their sponsorship dollars,” according to Vice President of Economic Development Rodney Stewart.

Presenting Sponsorship - \$250
