

Sponsorship Packages

The Dunn Area Chamber of Commerce has made a commitment of growing the Dunn Area Young Professionals Association, which targets young business leaders between the ages 21 to 45. We are making a concerted effort to connect our young professionals in the Dunn area and give them tools to become invested members of the Dunn business community. We feel like this is an investment which is worth our time and efforts and hope as a business leader in our area, you agree.

We are asking for your support in bringing the Young Professionals Association to a higher level which will attract and engage the younger generations for years to come. Events for 2018 are in the planning stages and will include the Seventh Annual Successful Business Leaders Forum, and other networking opportunities. Last year's events were a tremendous success and would not had been possible without the support of our sponsors.

Thank You for your consideration!
