

Good News about Our Schools

December 2016

Congratulations Lisette Zuniga ESL Teacher Harnett Primary School

Congratulations Candace Godwin 5th Grade Math & Science Teacher Wayne Avenue School

Ms. Zuniga was nominated by a colleague, Wendy Jones. In her nomination Ms. Jones stated, “Ms. Z works with our ESL students as well as serves as an interpreter for our non-English speaking parents. She works so hard to bridge that gap between English and non-English speakers. She makes the parents feel more comfortable and eases the student’s frustrations about not understanding the regular classroom teacher. She is a wonderful asset to Harnett Primary and I am proud to work with her.”

Mrs. Godwin was nominated by a colleague who wished to remain anonymous. In her nomination it was stated, “Mrs. Godwin is new to our school this year. She came in during the summer using her own time to work on her room. She teaches with enthusiasm and energy. She is handy at finding outside resources to bring into her classroom to demonstrate the goals she is teaching. She wants learning to be fun and is a great team player.”

Harnett Primary School

Harnett Primary is extremely proud of their students! During the month of December the students were busy learning about the importance of helping others in our community, especially since it was the season of giving. Additionally, students coordinated with Dunn’s PAL by helping families with disaster relief from Hurricane Matthew. They also donated toys to make a child’s Christmas a little brighter through the Marine’s Toys for Tots program.

Harnett Primary invites the Dunn Chamber’s members to be a part of the students’ lives. Many of the boys and girls need adult role models and you could be that special person to make a huge difference to them. Come and be that “Big Brother” or “Big Sister” to one of the children. Or, consider volunteering for their PBIS Cookie Cafe. This is a special reward time for students who have shown great behavior and responsibility. They are also in need of volunteers to help students with breakfast in the mornings from 7:50-8:15 a.m. Your presence in these areas will be greatly appreciated to the students and staff! To find out more, contact the school at (910)892-0126.

Triton High School

Triton High School is in need of proctors for the upcoming exam days of January 18, 19, 20, 23, and 24. Volunteers need to be at the school by 7:30 a.m.; finishing around 11:30 a.m. If you are able to volunteer—one day or more than one day, please contact Assistant Principal Catherine Jones by phone at (910)897-8121 ext. 2155 or by email at cjones@harnett.k12.nc.us.

Be an Education Sponsor

Would your business like to help recognize deserving teachers through the Education Committee? We would not be able to offer this rewarding program without gracious supporters like you.
